I. Introduction:

A. Purpose of the Request for Proposals

The purpose of this Request for Proposals (RFP) is to secure the services of a highly qualified Intermediary Entity to enter into a partnership agreement with the NYS Department of Labor (NYSDOL) to be submitted in response to the attached U.S. Department of Labor (“USDOL”) Employment and Training Administration’s Notice of Availability of Funds and Solicitation for Grant Application, Pay for Success pilot (NOA).

The Intermediary Entity shall, in accordance with the NOA, 1) enter into a partnership agreement with the State; 2) be responsible for achieving the negotiated outcome(s) for the target population by contracting with service delivery providers; 3) raise funds from investors to cover the operating costs of achieving the outcomes; 4) have the flexibility to change or modify its service delivery methods and providers; and 5) collect and share data with the State government grantee and the independent outcome validator as required.

In a “Pay for Success” model, the Intermediary Entity is required to provide financial/investment capital to cover the operating costs of achieving the target outcome, either from its own funds or other private investors. Payment of the committed funds by the government agency is contingent on the achievement and independent validation of negotiated outcomes. A full description of funding is described in Appendix NOA.

Please note that the partnership agreement entered into between the NYSDOL and the successful applicant shall be contingent upon NYS being awarded a grant under the NOA. Moreover, the partnership agreement shall be contingent upon the availability of Federal and/or State appropriations that may be necessary to implement the agreement.

Should New York State’s application to USDOL be successful, the resulting contract should allow for a service delivery period of 36 months; an evaluation period of 6 months; and a payment period of 6 months.

Initially, the successful offerer will be expected to assist New York State in preparing its grant application relating to SGA/DFA PY 11-13 (see Appendix NOA). However, please note that the successful offerer will not be reimbursed for its assistance in preparing the grant application and the further implementation of
the partnership agreement is contingent upon NYS being awarded a grant under the NOA.

Assuming a successful grant application process and grant award, the period of service delivery relating to the grant award will be up to 36 months from the date of grant award (see Appendix NOA for additional information). Six more months are available for measurement, documentation and validation of outcome results, and submission of payment requests to the Federal government, and a final six months are available to the USDOL to approve and disburse payment.

Please note that the successful offerer will not be reimbursed for any assistance that it may provide NYSDOL in the preparation of the related grant application.

Also, please note that payment for services is contingent upon the achievement and independent validation of negotiated outcomes. The contractor will not be paid if it does not achieve validated negotiated outcomes.

B. Description of the Department of Labor

NYSDOL is New York State’s primary advocate for job creation and economic growth through workforce development and the State Workforce Agency eligible for assistance under Title I of the Workforce Investment Act (WIA) of 1998. The Department administers New York’s unemployment insurance system and labor exchange system to connect job seekers with employers and build a workforce that helps New York’s businesses compete in today’s global economy. The Department also oversees state worker protection programs, including enforcement of safety and health regulations in the public sector, state labor laws and federal statutes related to working conditions, wages and hours, and laws related to Public Work. The Department of Labor serves as the State’s principal source for labor market information and offers a variety of services designed to help businesses find workers and people find jobs. Additional information regarding the Department can be found at www.labor.ny.gov.

This RFP is being conducted in conjunction and cooperation with the NYS Department of Corrections and Community Supervision (DOCCS); the NYS Division of Criminal Justice Services (DCJS); and the NYS Office of Children and Family Services (OCFS).
C. Program Description/ Eligibility Requirements

In response to the USDOL Employment and Training Administration’s Notice of Availability of Funds and Solicitation for Grant Application, Pay for Success pilot, New York will focus on promoting employment among high risk individuals who have recently been released from prison, jail, or youth facilities. People recently released from prison have an immediate need for income and help finding a job. Transitional jobs are designed to serve two purposes: (1) the jobs provide stability and income, which may reduce the incentive to turn back to crime in the critical period just after release; (2) the experience of working in a transitional job may teach participants how to work. Specifically, the skills learned on the work sites may make participants more appealing to employers by demonstrating that the individuals were able to show up to work on time and could perform satisfactorily in the program jobs. Research indicates such programs increase unsubsidized employment for those who came to the program shortly after release.

In this context, New York State seeks to utilize the funding opportunity presented by the NOA to support programs dedicated to reentry employment. These programs support the Governor’s broader commitment to not only reduce re-offending and decrease prison costs, but to reinvigorate the economic health of the Empire State by creating jobs and increasing employment. The State’s own research clearly shows employment and vocational training for reentrants is critical, and is the single most effective service to reduce future crime. If effective, the Pay for Success program would benefit re-entrants and will achieve several measures of success—reduced recidivism, enhanced job readiness, increased employment and earnings, and cost savings for the public sector. Potential program activities would include both pre- and/or post-release services. Please note that the character and dimensions of the programming to support may change as the economic analysis is completed.

Important Note: The eligibility requirements have been presented in detail in Section IV. A. (Technical Response) of this RFP.

D. New York State's Responsibilities

The State of New York will oversee the implementation of the contract resulting from this RFP. Program Unit staff will also maintain contact with the selected contractor and monitor performance of the contract.
The sources of funding for the activities outlined in this RFP are indicated in Attachment NOA. These monies are subject to state legislative appropriation.

Please note that any resulting agreement shall be deemed executory to the extent of the monies available to the State and no liability on account thereof shall be incurred by the State beyond monies available for the purpose thereof.

VI. CONTRACTOR REQUIREMENTS AND PROCEDURES FOR BUSINESS PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED MINORITY- AND WOMEN-OWNED BUSINESS ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN

NEW YORK STATE LAW

Pursuant to New York State Executive Law Article 15-A, the Department of Labor (DOL) recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority- and women-owned business enterprises and the employment of minority group members and women in the performance of DOL contracts.

In 2006, the State of New York commissioned a disparity study to evaluate whether minority and women-owned business enterprises had a full and fair opportunity to participate in state contracting. The findings of the study were published on April 29, 2010, under the title "The State of Minority and Women-Owned Business Enterprises: Evidence from New York" ("Disparity Study"). The report found evidence of statistically significant disparities between the level of participation of minority- and women-owned business enterprises in state procurement contracting versus the number of minority- and women-owned business enterprises that were ready, willing and able to participate in state procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the statewide certified minority- and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that DOL establishes goals for maximum feasible participation of New York State Certified minority- and women-owned business enterprises ("MWBE") and the employment of minority groups members and women in the performance of New York State contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, DOL hereby establishes an overall goal of 20% for MWBE participation, 11% for Minority-Owned Business Enterprises ("MBE") participation and 9% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs). A contractor ("Contractor") on the subject contract ("Contract") must document good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract and Contractor agrees that DOL may withhold payment
pending receipt of the required MWBE documentation. The directory of New York State Certified MWBEs can be viewed at: http://www.esd.ny.gov/mwbe.html.
For guidance on how DOL will determine a Contractor’s “good faith efforts,” refer to 5 NYCRR §142.8.

In accordance with 5 NYCRR §142.13, Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such finding constitutes a breach of Contract and DOL may withhold payment from the Contractor as liquidated damages.

[PLEASE NOTE THAT WHILE ARTICLE 15-A REQUIRES THE INCLUSION OF LIQUIDATED DAMAGES IN THE RFP, ARTICLE 15-A DOES NOT PROVIDE THE METHOD TO BE USED FOR CALCULATING LIQUIDATED DAMAGES. THEREFORE, THE CALCULATION SET FORTH IN THE NEXT PARAGRAPH IS JUST ONE OF A NUMBER OF ACCEPTABLE METHODS THAT MAY BE USED IN CALCULATING LIQUIDATED DAMAGES. PUNITIVE DAMAGES MAY NOT BE USED IN DETERMINING LIQUIDATED DAMAGES]¹

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a bidder on the Contract (“Bidder”) agrees to submit the following documents and information as evidence of compliance with the foregoing:

A. Bidders are required to submit a MWBE Utilization Plan on Form #MWBE 100 with their bid or proposal. Any modifications or changes to the MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to DOL.

B. DOL will review the submitted MWBE Utilization Plan and advise the Bidder of DOL acceptance or issue a notice of deficiency within 30 days of receipt.

C. If a notice of deficiency is issued, Bidder agrees that it shall respond to the notice of deficiency within seven (7) business days of receipt by submitting to the NYS

¹ This language is to be deleted from the final RFPRFP.
Department of Labor, Division of Equal Opportunity Development, State Campus, Building 12, Room 540, Albany, NY 12240; telephone #518-457-1984; fax #518-485-2575, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by DOL to be inadequate, DOL shall notify the Bidder and direct the Bidder to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals on Form #MWBE 101. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

D. DOL may disqualify a Bidder as being non-responsive under the following circumstances:
   a) If a Bidder fails to submit a MWBE Utilization Plan;
   b) If a Bidder fails to submit a written remedy to a notice of deficiency;
   c) If a Bidder fails to submit a request for waiver; or
   d) If DOL determines that the Bidder has failed to document good faith efforts.

Contractors shall attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to DOL, but must be made no later than prior to the submission of a request for final payment on the Contract.

Contractors are required to submit a Contractor’s Quarterly M/WBE Contractor Compliance & Payment Report on Form #EEO 101 to the NYS Department of Labor, Division of Equal Opportunity Development, State Campus, Building 12, Room 540, Albany, NY 12240; telephone #518-457-1984; fax #518-485-2575, by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

**Equal Employment Opportunity Requirements**

By submission of a bid or proposal in response to this solicitation, the Bidder/Contractor agrees with all of the terms and conditions of Appendix A including Clause 12 - Equal Employment Opportunities for Minorities and Women. The Contractor is required to ensure that it and any subcontractors awarded a subcontract over $25,000 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor, shall undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital
status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

Bidder further agrees, where applicable, to submit with the bid a staffing plan (Form #EEO 100) identifying the anticipated work force to be utilized on the Contract and if awarded a Contract, will, upon request, submit to the DOL, a workforce utilization report identifying the workforce actually utilized on the Contract if known.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

For more information on the administrative requirements see Appendix C, New York State Department of Labor's General Terms and Conditions.

Based on the responses you provide, the Department will determine whether your organization is a responsible bidder. If you are disqualified based on a determination of non-responsibility, you will be notified in writing and may appeal the determination in writing within 10 days to the Commissioner.
