

Asian Tropopause Aerosol Layer (ATAL) – observations, simulated composition and source apportionment with GEOS-Chem

T. Duncan Fairlie¹, Jean-Paul Vernier², Hongyu Liu³, Murali Natarajan¹,
Kristopher Bedka¹, and Larry W. Thomason¹,

ATAL shown in cloud-cleared and volcanic-screened CALIPSO observations of aerosol scattering ratio (SR) [Vernier et al., JGR 2015]

1. NASA Langley Research Center, Hampton, Virginia, USA.
2. Science Systems and Applications, Inc., Hampton, Virginia, USA.
3. National Institute of Aerospace, Hampton, Virginia, USA

POSTER A.24

7th Int'l GEOS-Chem Meeting
Cambridge, MA, 4-7 May, 2015
