What's the matter, Rolando, ¿Qué te pasa? What's going on?

They're getting close to them.
To what?

The documents. The Carvajal documents. They prove everything, who we really are, me, you, everyone...

Órale Rolando, what are you talking about?

I had to move them, they weren't safe. If anything happens to me, you must take care of them. You take over from me.

Take over what? ¿De qué hablas? You're not making any sense.

Don't you see? They date back to El Iluminado himself, preserved since his death.
