

STOP

In person activities
social events,
trainings, meetings, rallies,
negotiations, cant find
politicians, convention,
balloting and elections

multi company drills
gatherings of people
stop membership drives

benefit- more interaction
family fee gone away

Construction - work trailer or
change shack, meeting held
outside, keep clothes in own
car

harder to get message out

START

membership meetings online -
increase attendance
trainings
online voting
virtual conventions and meetings
for construction all paperwork for
hiring and firing take longer -
have hired advocacy.
education online
time and will for anti racism
discussions
virtual advocacy- more people
can attend, easier to schedule
lots of zoom trainings and
membership, going from
quarterly to monthly online
newsletters.
no travel - money savings and
time
no lunch - money savings
build business continuity plan

CONTINUE

Virtual workshop for members
reaching more workers, no
travel expenses, organizing,
leadership training,
video conferencing
maintain focus of health and
safety issues that were already
a problem now paying a lot of
attention
technolog to increase memeber
engagement, surveys,
comedy hour for solidarity
outreach better received
more retiree involvement
wellness calls
digital organising tools
online orientation for new
members,
signature pdfs
online nursing certification
3 year terms - had symposium
