

# How to Deposit in Dataverse 4.0

**Step 1:** Go to:  
[dataverse.harvard.edu](https://dataverse.harvard.edu)

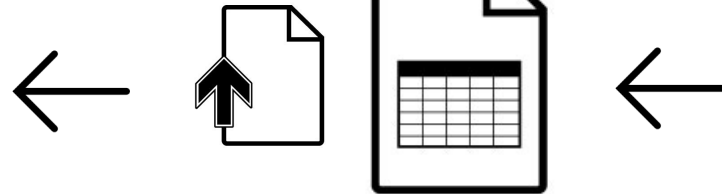

**Step 2:** Sign up for an Account  
open to Harvard & non-Harvard users

**Step 3:** Create or add to an existing  
Dataverse

**Step 6:** Publish your Dataset  
for others to find, cite, reuse, and  
reproduce analyses of your research

**Step 5:** Upload Data + Code +  
Documentation  
any format or # of files, with a max of  
2GB per file, with more features for some  
formats (SPSS, Stata, R, FITS, CSV,...)

**Step 4:** Create a Dataset  
describe the Dataset to receive a **formal  
data citation** (w/ persistent DOI URL) for  
others to discover and cite your work.
