ITEMS THAT CAN BE RECYCLED:

- Paper Products: Newspaper, magazines, white and colored paper, paperboard, corrugated cardboard, but no pizza boxes.
- Cans/Bottles: Glass, metal and plastic bottles and cans, without caps or food residue.
- Clothing: Dry clothing, shoes (tied together), leather goods, backpacks and handbags.
- Refrigerators, Computer and Television Monitors: Whether they work or not.
- Batteries: All types, so long as they don't leak.

The recycling rooms are single stream. You do not have to separate your recyclables, except for batteries. There is a separate container in each trash/recycle room for batteries only.

- Cardboard: Flattened boxes can be placed in an intact box and left in the recycling area.
- Clothing: Place in a plastic bag marked "Recycling" and leave in the recycling area.
- Computer and Television Monitors: Place in a box marked "Recycling" and leave it in the recycling area.
- Refrigerators: Make sure it's defrosted and dry before leaving it in recycling room.
