Sonia Barbosa, Manager of Data Curation & Manager of the Murray Research Archive

Elizabeth Quigley, User Experience Lead

# Conferences

DLF 2015  
FORUM  
Vancouver, BC  October 26-28

The logo for the DLF 2015 Forum is contained within a white rectangular box with a thin black border. It features a blue icon of a cluster of dots on the left. The text "DLF 2015" is in blue, with "2015" in green. Below it, "FORUM" is in blue. At the bottom, "Vancouver, BC" is in green, followed by a small green leaf icon and "October 26-28" in green.

# Journals

# The Rise of Data Journals

Over a 100 data journals as of this presentation and here are some examples:

**DATA**  
**IN BRIEF**

Journal of  
**chemical & engineering**  
data

▶ *MAKE YOUR DATA COUNT* ◀ SCIENTIFIC **DATA**

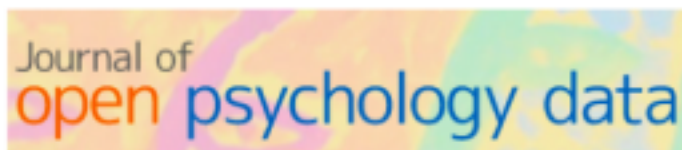

Journal of  
**open** health data

Geoscience Data Journal

**(GIGA)<sup>n</sup>**  
**SCIENCE**

Journal of  
**open** psychology data

## Journals: Overall Data Growth

### In Harvard Dataverse:

- **Journal Dataverses:**
  - 91 published
  - 10 new per month
- **Datasets in Journal Dataverses:**
  - 2,833 published
  - 200 new per month
- **Datasets with Related Publications:**
  - 11,726 total
  - 9,966 not in journal Dataverses
- **Datasets with “Replication Data”:**
  - 4,691 total
  - 2,777 not in journal Dataverses

### In ODUM Dataverse:

- **Datasets with related Publication:**
  - 7,459 total

### Compared to:

- 547 journals that agree to “Transparency and Openness Promotion (TOP)”

# Harvard Dataverse

14,000 Users

3763 Dataverses

1758 Published
