New Users

Data Management and Service Platform of SHISU
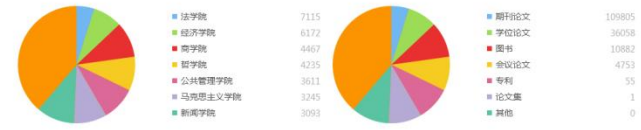

A NSFC Project $4million

Shanghai Youth Data Repository

Shanghai Population Data Research Center

Branding

Conference

● **C9 RDM Alliance Seminars**

● **The 2rd Annual Conference of China Academic Research Data Management**

120+ people from 60+ Universities

New Challenges

Could dataverse update to Big data infrastructure based on Hadoop and spark in the future?
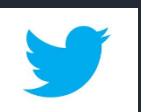

How RDMS integrate w/ big data system ?

Could dataverse integrate with data masking system or be capable of data masking functions?

Could dataverse integrate with Sandbox system?

.

Big Data

Data Masking

Sandbox
